

**Stefanie Sanderson, PA-C
Certified Physician Assistant**

An accomplished neurosurgical physician assistant in neurosurgical procedures, Stefanie Sanderson joined Spine Team Texas® in 2006, focusing on improving the quality of life for back and neck pain patients. Before joining Spine Team Texas®, Sanderson spent five years as a neurosurgical physician assistant with Cedar Neurological Surgeons in Cedar Rapids, Iowa. She also spent a year working as a study coordinator for a clinical trial of an artificial cervical disc to aide in symptomatic cervical disc disease. Sanderson has also contributed her knowledge of the medical field with her technical writing in *Trade Secret*, a medical transcription book, and as editor of *Pocket Notes* for the University of Iowa Physician Assistant Student Society.

In 2001, Sanderson received her masters of physician assistant studies from the University of Iowa College of Medicine. She also has a Bachelor of Science degree in biochemistry from Colorado State University. Additionally, as a Golden Key National Honors Society Member, she qualified for the College of Natural Science's Dean's List and received the Presidential Scholarship Award.

She is a member of the Association of Neurosurgical Physical Assistants, associate member of the American Association of Neurological Surgeons, and a member of the American Academy of Physician Assistants. She is currently licensed as a Texas Physician Assistant, certified in Advanced Cardiac Life Support, and certified by The National Commission on Certification of Physician Assistants.
